Enclosed you will find information on our full line of legendary firearms, barreled actions, airguns, optics and ammunition, including:

- CZ PISTOLS** The original, acclaimed CZ-75 9mm is now joined by a compact version, a new ambidextrous 9mm CZ-85 and CZ-85 Combat, and a pocket CZ-83 .380 pistol – all with a choice of double action or “cocked and locked” carry modes.
- BRNO MAUSER - TYPE RIFLES AND BARRELED ACTIONS** A wide array of small and large bore rifles (rimfire and centerfire) combine precision machining with Old World European craftsmanship. New for 1993 are barreled actions and a choice of walnut or polymer synthetic stocks on most models.
- BRNO and CZ AIR GUNS** The BRNO 630/631 Air Rifles and CZ Model 3 Air Pistol in .17 caliber are exceedingly popular in Europe, where people take air guns very seriously.
- IMI TIMBER WOLF SLIDE-ACTION RIFLES** A classic woods rifle, the lightweight, compact Timber Wolf .357 Magnum rifle has a take-down, adjustable stock and is the perfect companion for your favorite revolver.
- ULTRA DOT SIGHTS** This ever-popular click-adjustable red-dot reflex sight is now available in the original 1" tube as well as a new 30mm tube that offers two dot sizes in a wider field of view.
- MICRO DOT SCOPES** Now available in the 5 most popular models, including a new light-gathering 4 x 12 x 56mm, these innovative scopes combine duplex cross hairs with a red dot reticle dimmed or brightened by an adjustable rheostat control.
- UZI/SAMSON AMMUNITION** Originally produced for the legendary Israel Defense Forces, this ammunition is now available to the commercial market in the most popular calibers. Many loads are mil-spec and match grade, and all are brass case, boxer primed and reloadable.
